

Outstanding HSB Member Scholarship

Scholarship Application • Spring 2007

The \$500 Outstanding Honors Student Board Member Scholarship goes to a member of HSB who, through their participation, made a significant impact in the life of the Board. The recipient will not necessarily have been an elected officer, but will be someone who has been substantially involved in the Board's activities. The student must have been active with the Board for at least two years. Other involvement in the Honors Program will also be considered.

Application

To apply, submit a statement (1-2 pages in length) describing your participation in the Honors Program through the Honors Student Board and tell how your involvement has made a difference to the Board. You must also submit an essay (1-2 pages in length) outlining at least one new project or idea for the Honors Student Board, telling what effects it could have, and how to go about implementing your suggestion(s).

Evaluation

The Awards and Scholarships Subcommittee of the University Honors Program Committee will evaluate your application. This subcommittee shall consist of not less than one faculty member of the University Honors program Committee, one staff member of the University Honors Program, and one student member of the Honors Student Board or designee.

The application will be evaluated based on contribution to HSB, creativity and value of the proposed idea or project(s), and participation in other Honors activities.
