Honors Ambassadors Wanted

The Honors Program is looking for energetic students who want to share their Honors experiences with new and prospective students. Honors Ambassadors help with daily Honors admissions visits, Experience Iowa State days, and other recruitment events and activities.

Applications are on the Honors website at: http://www.honors.iastate.edu/HonorsWebPage/current/leadership.php. Contact Laurie Fiegel at lfiegel@iastate.edu for more information. Applications are due May 1!

Take a Break From Studying: ISU Pre-Law Club

The final ISU Pre-Law Club meeting for the spring 2012 semester will take place on Monday, April 23, from 5:00-6:30 pm in room 1151 of the Jischke Honors Building. PIZZA and DRINKS will be provided. There will be an election of Pre-Law Club officers for the 2012-2013 academic year. Please attend even if you do not plan on serving as a club officer as your input and opinions regarding the ISU Pre-Law Club and specifically how it serves students are important. There will be an extensive discussion surrounding this topic. We realize this is a busy time but please attend even if you can only stay for part of the meeting.

Ronald E. McNair Program Accepting Applications!

Ronald E. McNair Postbaccalaureate Achievement Program encourages minority, low-income, and first-generation college students to expand their educational opportunities and pursue graduate studies. If you know that a graduate degree is in your immediate future, the Ronald E. McNair Postbaccalaureate Achievement Program can help you prepare. Some of the program benefits are application fee waivers, travel to national conferences, paid graduate school visits/interviews, paid tutoring, and the opportunity to work with a professor who will mentor you from the beginning to the completion of an original research project. We still have slots available for fall 2012. All you need to do to get things started is to complete a pre-application, available on our website at http://www.grad-college.iastate.edu/mcnair/.
