SODA POP UPDATE

Within 24 hours of restocking the pop in the Honors kitchenette refrigerator after the pop hiatus the past two weeks, only 3 of 10 cans taken were paid for. Thus, pop will not be provided in the kitchenette the remainder of spring semester. Cans may be purchased from the office for $.50, during regular office hours, but they will not be chilled.

SECOND HALF HONORS SEMINARS

The following Spring 2007 seminar still have openings for the second half of the semester. For more information and descriptions for the seminars, check the Honors webpage at http://www.honors.iastate.edu/current/seminars_s07.php. Honors Seminars’ Reference Numbers are posted online as well.

**HON 322A, Concepts of Ecosystem Health: Is There a Doctor in the House?,** Monday, 2nd Half, 2:10-3:30 p.m., 1 credit, Instructor: Dušan Palić
PLANNING ON GRADUATING OR PRESENTING IN SPRING 2007?
Please email Janet Huggard, University Honors Program Secretary, jhuggard@iastate.edu and let her know if you are planning to present your project at the April 25, 2007, Poster Presentation and/or if you are planning on graduating with Honors this semester.

CONVERTING COURSES TO HONORS CREDIT
You are able to convert any course at Iowa State into an Honors Course by entering into a contract with your professor to do something over and above the regular coursework for the class. This is a great opportunity for you to learn more about a given subject area - perhaps to go more into depth regarding something the course will cover or to learn something the course won’t include. WHAT you learn and HOW you learn it is up to you and your professor. Although students often write an extra paper or do some extra reading, you are limited only by your imagination about how you will convert a course to Honors credit.

In order for you and your professor to have sufficient time to discuss what you plan to do to convert a course for Honors credit, and for you to complete the work in a timely manner, the completed and signed REGISTRATION FOR HONORS CREDIT form will be due to the Honors office no later than 5pm on the Friday after midterms every semester. For Spring 2007 the deadline is March 9. The Registration for Honors Credit Forms are available online or in the University Honors Program office. If you have any questions about converting courses or the procedures, please ask Suzanne Wirth or Liz Beck.

HAVE ANY GOOD IDEAS LATELY?
If you have a good idea for an Honors Seminar topic, let us know. We are always interested in good seminar topics. If you have an idea who could or should teach the seminar, we’d love to hear that too. Please contact Gene Takle, gstakle@iastate.edu, 294-4371. Honors Seminar Proposal forms are available online. Seminar proposals for Spring 2008 are still being accepted.

CREDIT LIMIT FOR REGISTRATION
The general registration policy states that students cannot register for more than eighteen (18) credits for any semester. All Honors students, including 2006-2007 Freshman Honors Program members, have a twenty-one (21) credit limit for registration. This limit will be coded automatically by the Honors Program Office.

PASS/NOT PASS POLICY FOR HONORS STUDENTS
Honors students may not take any course Pass/Not Pass unless approval has been secured from the student's college Honors committee prior to the student selecting the Pass/Not Pass option. Please note that this policy does not apply to courses/seminars offered on a Satisfactory/Fail grading system. It applies only to those courses --- both Honors and non-Honors --- for which you may elect the Pass/Not Pass system rather than the standard A-F grading system.

WOULD YOU LIKE TO MOVE TO HONORS HOUSING?
There will be spaces available in Honors Housing for males and females for this semester. Honors Houses are located in Martin/Starbuck, Barton/Anders, and Lyon/Harwood. If you are not happy with your current living arrangements and would like to move into Honors Housing, please contact Kurt Earnest at kearnest@iastate.edu as soon as possible. If you would like to learn more about the Honors Houses, please contact the following student representatives from the individual houses for more information or to tour the facilities:

Anders House/ Barton Hall – Gabby Daniels, gdan1201@iastate.edu
Harwood House/ Lyon Hall – Ming Li, mangleli@iastate.edu
Starbuck House/ Martin Hall – Bailey Lewis, cblewis@iastate.edu
♦HSB NEWS
NERD OLYMPICS
Do you know the digits of Pi out fifty places? Can you do a rubex cube in under one minute, while blindfolded? Come prove your skills at HSB's annual Nerd Olympics. There will be food, prizes, DDR, Scrabble, Sudokus, and more! Sunday, February 18th from 2-4pm at the Honors Building.

BOWLING
Come bowling with HSB! Bowling will be held on Thursday, February 22 from 7-9pm at 20th Century Bowling on Duff Avenue. Free bowling, food, and drinks will be provided. Hope to see you there! Need a ride? Take the Cy-Ride Blue South route. The bus leaves from Kildee Hall at 6:51 or from Friley Hall at 6:56. See the Cy-Ride website for more bus stops: www.cyride.com/routes/Fall/wdblus.html.

W. ROBERT PARKS COMMENDATION
Have you ever wanted to give a big thanks to a faculty member who taught an awesome Honors seminar or course, someone who gave you great advice on what to put in your four year plan, or even just planned an awesome Honors event? Now is the perfect opportunity! The W. Robert Parks Commendation is an award given to a faculty member, a friend, and a student who is associated with and has made an outstanding contribution to the University Honors Program. Nomination forms are available online at http://www.honors.iastate.edu/happenings/WRobertParksnomination.rtf and are due Friday, March 2 at 4:30 p.m. If you would prefer, you can email Rachel Allen, rdallen@iastate.edu, and include the following items: Name of nominee, your name, who the nomination is for (student, faculty, or friend), and explain why you want to nominate this person. Award recipients receive a plaque and are treated to a dinner at the end of the year.

♦ GRANTS, SCHOLARSHIPS & OTHER FUNDING

HONORS MEMBER & OUTSTANDING HSB MEMBER SCHOLARSHIPS
The Honors Student Board has established a $500 scholarship to be awarded to a member of the Honors Program. All current members of the Honors Program are eligible to apply. Selection will be based on the quality and content of two essays, personal references, and a list of activities and leadership positions. Applications are available at www.honors.iastate.edu/current/scholarships/2007mem_Scholarship.pdf.

A $500 scholarship will also be awarded to an Outstanding Honors Student Board member whose participation has made a significant impact on the Board. Applicants need not have been an elected officer, but someone who has been substantially involved in the Board’s activities for at least two years. Applications are available at http://www.honors.iastate.edu/current/scholarships/2007HSB_Scholarship.pdf.

The Scholarship subcommittee of the University Honors Program Committee will make the final selection of the scholarship recipients. Applications are also available from the Honors Program Office and are due to the Honors Office by 4:00 p.m. on Monday, February 19.

RESEARCH GRANTS FOR HONORS PROJECTS
Grants of up to $500 (University Honors Grants) are available from the Honors Program to defray expenses of your Honors Research Project. A description of the project and a detailed budget are part of the application process. Projects that are substantially completed are ineligible for funding - apply early in your project planning process! Detailed information, including applications, guidelines, and funding are available at http://www.honors.iastate.edu/current/scholarships.php or from Janet in the Honors Office. The best grant applications are typed, free of spelling errors, and contain thoughtful and clear explanations of project goals and budgets. Work with your project advisor in preparing your application and call the Honors Office at 294-4371 with questions or concerns. There is no specific deadline for University Honors Grants, but the earlier submitted the better.

ROTARY AMBASSADORIAL SCHOLARSHIP
The Rotary Ambassadorial Scholarship is a $24,000 scholarship to pursue graduate work, the purpose of which is to promote international understanding and goodwill through study in another country. The Ambassadorial Scholarship furthers the Rotary Foundation’s mission of promoting world understanding and peace; Rotary scholars are expected to reach out to help meet humanitarian needs in the community where they are assigned. Generally 2-3 students from Iowa State are selected for the District interviews. Students interested in the 2008 Rotary Scholarship must have a bachelor’s degree by the end of May 2008 and can not return to a country in which they spent more than six consecutive months. Interested students should contact Susan Posch in the Study Abroad Office to find out more specific information. The deadline to apply is March 22.

◆ SUMMER OPPORTUNITIES

LIVE. LEARN. INTERN. 2007 SUMMER INSTITUTES
NOW ACCEPTING APPLICATIONS FOR FINAL DEADLINE OF MARCH 1, 2007
**PRIORITY CONSIDERATION FOR NCHC HONORS STUDENTS**

Sponsored by The Fund for American Studies in partnership with Georgetown University, the Institutes combine a professional internship experience and courses for academic credit in your field at Georgetown University. The programs also provide additional opportunities that complement the Washington experience, including guest lectures, a mentoring program, career development activities and other special events such as networking receptions and briefings at the White House and U.S. Capitol. This summer: June 9 - August 4, 2007 in Georgetown University, Washington, DC.

Students from NCHC honors programs will be given priority in scholarship awards from our general scholarship fund. Honors students should indicate on their application materials that they are a member of an honors program and list their honors activities on their resume.

- Internships - Competitive placements with top sites in D.C.
- Classes - Up to 9 transferable credits from Georgetown University
- Housing - Furnished on-campus apartments in the heart of D.C.
- Guest Lectures - With Washington's top policy and industry experts
• Site Briefings - At the White House Complex, State Department, U.S. House of Representatives, and Federal Reserve
• Leadership & Professional Development - Leadership, mentoring and career building activities
• Networking - Interaction with hundreds of other student leaders from around the world
• Scholarships - Over half of all students receive full or partial funding based on merit and financial need

Four eight-week programs are offered in the following subject areas:

• Politics and Economics
• Journalism and Public Relations
• Business and Government Affairs
• Nonprofit and Community Service

For more information and an online application, please visit our website www.dcinternships.org or contact Mary Connell, Recruitment and Admissions Manager, at mconnell@tfas.org or 1-800-741-6964.

For an informational brochure visit: https://www.dcinternships.org/tfas/brochure/index.asp or visit our website at www.dcinternships.org.

NATURE CONSERVANCY SUMMER INTERN SCHOLARSHIPS
Applications are now being accepted for the Nature Conservancy’s 2007 Anna Beal Summer Internships. Scholarships of $3,500 will be awarded to Iowa undergraduate students. A crew of 10 persons will be selected to perform intensive land management activities for 11 weeks (May 21-August 3) on preserves managed by the Nature Conservancy.

A detailed job description and application materials are posted at www.nature.org/iowa. Please submit a cover letter, application and reference letter before March 2, 2007 to apply.

UNDERGRADUATE SUMMER RESEARCH PROGRAMS AT UNMC
There are many opportunities for undergraduates to perform research during the summer at the University of Nebraska Medical Center. The Summer Research Programs are generally 10 weeks in duration starting in the first or second week of June. Successful applicants will spend the summer working in a research laboratory in either a basic science or clinical department. Students are supported by stipends to cover living expenses. See individual programs for current stipend levels. The programs provide assistance in obtaining suitable housing.

College of Medicine Undergraduate Summer Research Program: Offers students research opportunities throughout the basic science and clinical laboratories associated with the College of Medicine.

MD/PhD Undergraduate Summer Research Program: This program also offers students research opportunities throughout the basic science and clinical laboratories associated with the College of Medicine. The program is for students interested in the M.D./Ph.D. combined degree program.

ASPET Summer Undergraduate Research Program: Offers students research opportunities in the Department of Pharmacology's research laboratories. The program is supported by the American Society for Pharmacology and Experimental Therapeutics (ASPET).

Eppley Institute Summer Research Fellowship Program: Provides research experiences for undergraduates interested in cancer research.

Please visit www.unmc.edu/brtp for more information and to apply.
EMPLOYMENT OPPORTUNITIES
BE A DESTINATION IOWA STATE TEAM LEADER!
We are looking for energetic students that would like to share their excitement for Iowa State. Team Leaders are responsible for attending Destination Iowa State, August 16 – 18, 2007, and helping new students adjust to campus. A $200 stipend will be paid to Team Leaders for their hard work! For more information and to apply, visit www.admissions.iastate.edu/leaders. Contact Brenna with any questions: brenna@iastate.edu or 294-6660.

TEACH FOR AMERICA
Less than half of high school students in urban areas graduate.
Consider starting your career path by becoming part of the solution.

Make your first job count.

Apply online at www.teachforamerica.org to join us in ensuring that one day, all children in this nation will have the opportunity to gain an excellent education. Teach For America is a paid, full-time, two-year program for all majors with all long-term career interests. No education experience necessary.
Next deadline: February 18

INVOLVEMENT OPPORTUNITIES
10,000 HOURS SHOW (10K)
The 10,000 Hours Show (10K) is a student organization that encourages student volunteering in the community by offering a free ticket to a concert every spring in Des Moines. The only admission to the concert is 10+ hours of volunteer service with a registered nonprofit in Ames. Past performers have included Ben Folds, Guster, and Cake, and this year's artist for the concert in April will be announced soon!

Join thousands of other volunteers rocking the state by registering with The 10,000 Hours Show at www.10000hours.stuorg.iastate.edu.

Questions? Comments? Want to be on staff? Please contact The 10,000 Hours Show at ISU10K@gmail.com.

VEISHEA AIDES
VEISHEA, one of Iowa State's strongest traditions, has a long history as one of the largest and most successful student-run organizations in the country. A wide range of events are being planned this year to include every Iowa State student during the week of VEISHEA, April 16-22, 2007.
The scope of the VEISHEA celebration requires structured units of personnel to run it successfully. You and your members can get involved in this area. Positions available for this year's celebration are Operation Aide, General Aide, and Parade Aide. Application forms for each position and more information is available on the VEISHEA Web site at http://www.veishea.iastate.edu.
Serving as a VEISHEA Aide is a great way to get involved with a prominent campus organization, providing a valuable opportunity to work behind the scenes of one of Iowa State's biggest traditions. For further information, visit the VEISHEA Web site or call the VEISHEA office at (515) 294-1026.

STUDENT UNION BOARD SEEKING NEW DIRECTORS
Student Union Board (the group that manages all programming in the MU) is currently seeking new directors for the 2007-2008 school year. This is a great opportunity to get some leadership as well as have some fun creating great programs. Each director has a subcommittee to assist them. There is a
separate application for President and Vice-president as their roles are a bit different from the directors. More information and the application forms can be found on www.sub.iastate.edu.

♦ WINGSPREAD CONFERENCES
ATTEND A MEETING OF THOUGHTFUL INQUIRY
Wingspread conferences, sponsored by The Johnson Foundation, bring together experts and other individuals who are leaders in the development of policies specific to the conferences. Honors students at Iowa State are among the students from only a dozen other schools around the nation who have special status as Wingspread Fellows and are invited to apply to attend the conferences at no cost to themselves. Students attend as observers to the deliberations, but have plenty of opportunity to interact with the experts on an informal basis. In fact, it is not necessary to be majoring in the area of the conference topic. The Foundation is interested in encouraging students to become educated citizens and, thus, have opened these conferences to any interested student. Wingspread was built in 1939 and designed by Frank Lloyd Wright. Wingspread is located on Wind Point, a peninsula on the western shore of Lake Michigan in Wisconsin. For further information on the conference or facility go to http://www.johnsonfdn.org/tour.html.

Recent ISU Wingspread Fellow, Steven Diesburg, said of his experience, “My experience as a Melvin Brorby Wingspread Fellow gave me a greater appreciation for the difficulty of achieving consensus, even among like-minded people…If nothing else, the Leadership Summit for Sustainable America on Natural Resources and Climate Change reaffirmed for me that some of our country’s best thinkers care about the same things I do, and are doing what they can to fix problems that seem unsolvable at times. It made me realize, or perhaps simply reminded me, that there needs to be someone constantly pushing to make the right connections and make sure things get done.” To find out more from a student participant’s perspective, please feel free to contact Steven at diese.burg@gmail.com.

Please review the conference listings below and consider becoming a Wingspread Fellow. ALL OF YOUR EXPENSES ARE PAID FOR THE CONFERENCES. Contact Brandy Cunningham, brandyc@iastate.edu, or 294-5827, AS SOON AS POSSIBLE if you are interested in attending the sessions listed below.

Conservation Thresholds for Land Use Planners
Statement of Purpose: To bridge the gap between conservation and land use with science-based standards for biodiversity protection and land conservation.
This conference was developed to: Develop standards for biodiversity protection in land use planning.
The principal issue is: Biodiversity protection.
Synopsis: This conference develops standards for science-based planning for biodiversity protection.
Co-Sponsors: Environmental Law Institute and The Johnson Foundation.
Outcome: A report detailing thresholds enabling land use planners to prepare more effective conservation plans.
Dates: March 19-21, 2007 (Monday-Wednesday)– begins at 4:00 p.m.; adjourns at 1:30 p.m.

Mobilizing Strategies for Young Voters
Statement of Purpose: To identify the issues that resonate with young voters and develop a mobilizing strategy for the 2008 elections.
This conference was developed to: Increase the effectiveness of young people as a constituency group.
The principal issue is: Young people and politics.
Synopsis: In 2004, foundations spent a lot of money to increase youth voting. The next step is to move past that effort to help young people emerge as a potent constituency group. This meeting will assess strategies for mobilizing young people developed for the 2006 campaign, and identify issues and strategies for 2008. Expected Outcome: A strategic document to engage and mobilize young people for the 2008 campaign.
Dates: April 26-28, 2007 (Thursday-Saturday)– begins at 4:00 p.m.; adjourns at 1:30 p.m.
♦ GETTING INTO FORT JISCHKE AFTER HOURS

In order to have after-hours access to the Honors Building, see Linda in the Honors Office and sign up for access. You then will be assigned a card. If you already have a university-provided keycard to enter your residence, the Honors Building system will be coded to allow you entrance using that keycard. If you do not have a keycard, you will be issued one that you will be able to pick up at the Honors Program Office. It may be as long as two weeks for the new keycards to be issued or for current keycards to be coded into the system.

You will be granted access to the Honors Building as long as you are a member of the Honors Program in good standing and you must abide by the After Hours Building Use Policy. If you lose your access card there is a $20 replacement fee.

These are a few rules and guidelines that all students must follow when using the Honors Building after business hours. These are based on the Building-Use policy, ISU building-use regulations, ISU security regulations, and Jischke Honors Building supervisor policies. In general, after-hours use of the Honors Building is a PRIVILEGE granted by ISU security and the Building Supervisor. This privilege can and has been revoked for student noncompliance of the building policies and guidelines. It is for the benefit of all that these guidelines be followed. HSB, as the Honors student representative body, has the responsibility to make all Honors students aware of these policies and to enforce them. These common-sense rules MUST be followed; by not doing so, you directly jeopardize the privilege of Honors Building use after hours for all students.
---Entrance after hours is by access card only. Card readers are located at the Northeast door and the South door.
---Do not post any signs, flyers, etc. on the walls or woodwork.
---Pick up trash before you leave.
---You may not sleep overnight in the Honors Building.
---Only members in good standing in the Honors Program are allowed in the Honors Building. You may not allow non-honors students into the building after hours.
---NEVER prop an outside door open - it violates the university building-use policy and it sets off an alarm.
---If someone is studying, respect their right to study quietly - that's why the building is here.
---Don't use the phone for lengthy personal conversations.

It is for the benefit of all that these guidelines be followed.
NOTE: There is to be no alcohol or illegal drugs in the Honors Building at any time. Violators will be referred to the Dean of Students for disciplinary action.
