GRANTS, SCHOLARSHIPS & OTHER FUNDING RESEARCH GRANTS FOR HONORS PROJECTS
Grants of up to $500 (University Honors Grants) are available from the Honors Program to defray expenses of your Honors Research Project. A description of the project and a detailed budget are part of the application process. Projects that are substantially completed are ineligible for funding - apply early in your project planning process! Detailed information, including applications, guidelines, and funding are available at http://www.iastate.edu/~honors/general/projects.html or from Suzanne in the Honors Office. The best grant applications are typed, free of spelling errors, and contain thoughtful and clear explanations of project goals and budgets. ROTARY FOUNDATION AMBASSADORIAL SCHOLARSHIP
Information meetings about the scholarship will be held in Room 255 Memorial Union on Wednesday, February 22nd, at noon.

The University Honors Program is proud to have two Honors Program graduates as current Rotary Scholars, including Keegan Kautzky who is studying in Capetown South Africa, and Omar Tesdell who is studying in Lima, Peru. The scholarships, which are designed to further international understanding and goodwill, provide for study abroad in more than 150 countries where Rotary clubs are located. Some
1,300 scholarships of various types will be available from clubs worldwide.

Academic-Year Ambassadorial Scholarships are for one academic year abroad and provide funding for round-trip transportation, tuition and fees, room, board, some educational supplies, and language training (if necessary) up to a maximum award of US$25,000 or its equivalent.

EDUCATIONAL OPPORTUNITIES
WOMEN IN LAW CONFERENCE
The 30th annual "Women in Law" Conference, hosted by the University of Iowa College of Law's Organization for Women Law Students and Staff (OWLSS), is scheduled for Saturday, March 25, 2006 at Boyd Law Building, on the University of Iowa campus.

The conference is aimed at college and high school women interested in the study of law, as well as current law students interested in preparing for their careers. It is a great opportunity for interested students to learn about getting into law school, the life of a law student, and what it's like to be a practicing attorney! The Conference will be useful to any student considering law school, and, of course, of particular interest to those considering Iowa specifically.

Those attending as "prospective students" will learn about admissions and career services and gain exposure to the College of Law's atmosphere and facilities. There will be several panel discussions: one by practicing professionals from a range of backgrounds and another by current College of Law students. There will also be a mock class taught by the College of Law's Professor Christina Bohannan and a luncheon with Professor Adrien Wing as our keynote speaker. In addition, faculty and students will be available during the continental breakfast to answer questions and give tours.

Interested students can download a registration form or register online at http://www.law.uiowa.edu/groups/owlss/moreinfo.php.

**SUMMER OPPORTUNITIES**

**DIG A CASTLE IN BELGIUM**

Eastern Illinois University School of Continuing Education, in partnership with the University of Louvain-la-Neuve in Belgium, invites applications for the seventh season of its Summer Archaeology Program. The dates are **July 1-29, 2006**, and the program centers on the excavation of medieval Walhain Castle. Honors students may receive Honors credit, awarded in either History or Earth Sciences. The course is open to all students in good standing; there are no prerequisites, and no previous background in archaeology is required. The cost of the program, which includes tuition and fees, board and lodging --but not overseas airfare-- is $4652. For more information please contact Professor Bailey Young by March 4 at bkyoung@eiu.edu. or write c/o History Department, 2744 Coleman Hall, Eastern Illinois University, 600 Lincoln Ave, Charleston, IL 61920.

**PRE-LAW SUMMER INSTITUTE**

The University of Nebraska-Lincoln Pre-Law Institute will expose pre-law students to the typical analytical and writing demands of a law student; provide an understanding of the many roles of the law and lawyers in society; and provide instruction on the process of applying to law school and obtaining financial aid. Students will also build mentoring relationships with local attorneys and current students.

The core curriculum will consist of three courses which will expose students to the typical law school classroom and traditional evaluation and focus upon legal writing and analysis. In addition, students will participate in an academic support program that will enhance their study and exam-taking skills. Students will also learn about the law school application process, including selecting undergraduate courses, writing personal statements, obtaining recommendation letters and working with pre-law advisors. Students will also benefit from an LSAT preparation course. In addition, students will establish two mentoring relationships with attorneys, typically one from academics and one from practice or the judiciary. Students will be encouraged to maintain these mentoring relationships after the Institute ends.

The Institute will be held from June 19 to July 14, 2006. Preference will be given to individuals who will be starting their sophomore or junior year of college in the Fall of 2006. However, all applications will be reviewed. The University of Nebraska College of Law is especially interested in attracting a diverse group of students to the Institute, including racial, geographical and socio-economic diversity. The College of Law will cover most attendance costs for Institute participants, including round-trip economy airfare or mileage, room and board, and local transportation. Students will earn a $1,000 stipend to cover incidental expenses and to offset loss of summer earnings during the four-week period.

Application materials are available online at [http://law.unl.edu/prelaw.html](http://law.unl.edu/prelaw.html) or they may be mailed to you. To learn more about the Institute, or to apply, please contact Associate Dean Glenda Pierce (gpierce1@unl.edu) or Admissions Coordinator Denice Archer (darcher4@unl.edu).

HONORS SUMMER STUDY ABROAD IN SWEDEN
Spend this July in beautiful Uppsala, Sweden with the honors students at the University of Missouri-Kansas City and take a six-unit interdisciplinary honors seminar in the history, nature, and culture of this intriguing country.

You will have the opportunity to explore literature, artwork, and music, and consider how the portrayal of nature is both a reflection of and a driving force in Swedish society. Field trips will include visits to castles, cathedrals, museums, palaces, and regions of outstanding natural beauty. Each participant will be encouraged to work on individual projects that reflect their interest in the history and culture of Sweden.

The city of Uppsala is both the home to Sweden’s oldest national symbols and a center for immigrants and political refugees from all over the world. It provides the ideal venue to consider Swedish traditions, Swedish politics, the Swedish Welfare State and the importance of nature in shaping the values of a society.

The program will cost roughly $3200 (tuition, fees, room, board, and excursions), not including airfare. For further information see http://www.umkc.edu/international/Sweden%20info.htm or contact Prof. Lynda Payne (paynel@umkc.edu).

**WINGSPREAD CONFERENCES**

**ATTEND A MEETING OF THOUGHTFUL INQUIRY**

Wingspread conferences, sponsored by The Johnson Foundation, bring together experts and other individuals who are leaders in the development of policies specific to the conferences. Honors students at Iowa State are among the students from only a dozen other schools around the nation who have special status as Wingspread Fellows and are invited to apply to attend the conferences at no cost to themselves. Students attend as observers to the deliberations, but have plenty of opportunity to interact with the experts on an informal basis. In fact, it is not necessary to be majoring in the area of the conference topic. The Foundation is interested in encouraging students to become educated citizens and, thus, have opened these conferences to any interested student. Wingspread was built in 1939 and designed by Frank Lloyd Wright. Wingspread is located on Wind Point, a peninsula on the western shore of Lake Michigan in Wisconsin. For further information on the conference or facility go to http://www.johnsonfdn.org/tour.html. Please look at the information below for upcoming conferences and consider becoming a Wingspread Fellow. ALL OF YOUR EXPENSES ARE PAID FOR THE CONFERENCES. Contact Ricki Shine, rshine@iastate.edu, or 294-4292, AS SOON AS POSSIBLE if you are interested in attending one of the sessions.

**GETTING INTO FORT JISCHKE AFTER HOURS**

In order to have after-hours access to the Honors Building, see Linda in the Honors Office and sign up for access. You then will be assigned a card. If you already have a university-provided keycard to enter your residence, the Honors Building system will be coded to allow you entrance using that keycard. If you do not have a keycard, you will be issued one that you will be able to pick up at the Honors Program Office. It may be as long as two weeks for the new keycards to be issued or for current keycards to be coded into the system.

You will be granted access to the Honors Building as long as you are a member of the Honors Program in good standing and you must abide by the After Hours Building Use Policy. If you lose your access card there is a $15 replacement fee.

**THE AFTER-HOURS BUILDING-USE POLICY FOR THE JISCHKE HONORS BUILDING!** Three words: DON'T BE STUPID!  
If you need further elaboration, read on:  
These are a few rules and guidelines that all students must follow when using the Honors Building after business hours. These are based on the Building-Use policy, ISU building-use regulations, ISU security regulations, and Jischke Honors Building supervisor policies. In general, after-hours use of the Honors Building is a PRIVILEGE granted by ISU security and the Building Supervisor Ricki Shin. This privilege can and has been revoked for student noncompliance of the building policies and guidelines. It is for the benefit of all that these guidelines be followed. HSB, as the Honors student representative body, has the responsibility to make all Honors students aware of these policies and to enforce them. These common-sense rules MUST be followed; by not doing so, you directly jeopardize the privilege of Honors Building use after hours for all students.

---Entrance after hours is by access card only. Card readers are located at the Northeast door and the South door.
---Do not post any signs, flyers, etc. on the walls or woodwork.
---Pick up trash before you leave.
---You may not sleep overnight in the Honors Building.
---Only members in good standing in the Honors Program are allowed in the Honors Building. You may not allow non-honors students into the building after hours.
---NEVER prop an outside door open - it violates the university building-use policy and it sets off an alarm.
---If you are the last person to leave the Honors Building after hours, you MUST check:
  *Computers: Are the computers and printers all turned off?
  *Lights: Are all lights EXCEPT the foyer lights turned off?
  *Trash: Is trash picked up off of the floor? Is the kitchen and lounge area straightened-up? Are all books returned to where they belong?
---If someone is studying, respect their right to study quietly - that's why the building is here.
---Don't use the phone for lengthy personal conversations. If you unplug the phone in the lounge area an alarm will go off and DPS will be alerted. It is for the benefit of all that these guidelines be followed.
NOTE: There is to be no alcohol or illegal drugs in the Honors Building at any time. Violators will be referred to the Dean of Students for disciplinary action.
