Volunteer/Service Opportunities

2008 PROGRAM – VOLUNTEER SERVICE OPPORTUNITY AGREEMENT
By volunteering your time to the VERB Summer Scorecard program you are helping improve the health of youth in your area. With your help, local youth can expand their physical activity opportunities as they discover new activities from bowling and ice-skating to dancing and rock climbing. This effort to promote physical activity is a positive step towards instilling lifelong, healthy behaviors in today’s youth.

In addition, volunteering to serve with the VERB Summer Scorecard will provide you with additional volunteering opportunities. This can be a great way to gain some volunteer experience on your resume or just to help children in our area live a healthier life. Please take a moment to review the service opportunities below. If you are interested in becoming a VERB volunteer please check all areas of interest and return this form in the self-addressed, stamped envelope provided. If you have any questions or comments please contact VERB Coordinator Katie Gage at ktgage@iastate.edu. Thank you!

Wingspread Conference

ATTEND A MEETING OF THOUGHTFUL INQUIRY
Wingspread conferences, sponsored by The Johnson Foundation, bring together experts and other individuals who are leaders in the development of policies specific to the conferences. Honors students at Iowa State are among the students from only a dozen other schools around the nation who have special status as Wingspread Fellows and are invited to apply to attend the conferences at no cost to themselves. Students attend as observers to the deliberations, but have plenty of opportunity to interact with the experts on an informal basis. Please review the conference listings below and consider becoming a Wingspread Fellow. ALL OF YOUR EXPENSES ARE PAID FOR THE CONFERENCES. Contact Laurie Fiegel, lfiegel@iastate.edu, or 294-4371 about upcoming conferences.
