HAVE ANY GOOD IDEAS LATELY?
If you have a good idea for an Honors Seminar topic, let us know. We are always interested in good seminar topics. If you have an idea who could or should teach the seminar, we’d love to hear that too.
Please contact Gene Takle, gstakle@iastate.edu, 294-4371. The faculty/staff deadline to propose a seminar for Spring 2007 is September 15, 2006. Honors Seminar Proposal forms are available online.

CREDIT LIMIT FOR REGISTRATION
The general registration policy states that students cannot register for more than eighteen (18) credits for any semester. All Honors students, including 2006-2007 Freshman Honors Program members, have a twenty-one (21) credit limit for registration. This limit will be coded automatically by the Honors Program Office.

PASS/NOT PASS POLICY FOR HONORS STUDENTS
Honors students may not take any course Pass/Not Pass unless approval has been secured from the student's college Honors committee prior to the student selecting the Pass/Not Pass option. Please note that this policy does not apply to courses/seminars offered on a Satisfactory/Fail grading system. It applies only to those courses --- both Honors and non-Honors --- for which you may elect the Pass/Not Pass system rather than the standard A-F grading system.

WOULD YOU LIKE TO MOVE TO HONORS HOUSING?
There are limited spaces in Honors Housing available for males and females. Honors Houses are located in Martin/Starbuck, Barton/Anders, and Lyon/Harwood. If you are not happy with your current living arrangements and would like to move into Honors Housing, please contact Kurt Earnest at kearnest@iastate.edu.

♦ GRANTS, SCHOLARSHIPS & OTHER FUNDING

RESEARCH GRANTS FOR HONORS PROJECTS
Grants of up to $500 (University Honors Grants) are available from the Honors Program to defray expenses of your Honors Research Project. A description of the project and a detailed budget are part of the application process. Projects that are substantially completed are ineligible for funding - apply early in your project planning process! Detailed information, including applications, guidelines, and funding are available at http://www.honors.iastate.edu/current/scholarships.php or from Suzanne in the Honors Office. The best grant applications are typed, free of spelling errors, and contain thoughtful and clear explanations of project goals and budgets. Work with your project advisor in preparing your application and call the Honors Office at 294-0855 with questions or concerns. There is no specific deadline for University Honors Grants.
Preparation for January’s Inside Washington ’07 academic seminar is underway. What is especially exciting this year is that the first week will coincide with the swearing-in of the new 110th Congress. With so much attention on which party will control the House and perhaps even the Senate, this is an ideal time for students and faculty to think about attending this annual Washington Center program.

The first week of the program is called The New Congress, led once again by political scientist Ross K. Baker of Rutgers University. We will give students the afternoon of the swearing-in time to visit Hill offices, introduce themselves and hopefully meet their representatives and be invited to some of the Hill receptions.

The second week theme is Politics and the Media, led by Ball State professor and former ABC News Correspondent, Steve Bell. Last year’s Politics and the Media reception included Andrew Card of the White House and Sam Donaldson of ABC News.

The early deadline (guaranteed space) is November 13, 2006 and the regular deadline for applications is Dec. 8, 2006. Applications are available by emailing seminars@twc.edu or on the seminar page website: http://www.twc.edu/students/seminars.shtml.

Seminar Dates for Inside Washington:
Both Weeks: Dec. 30, 2006-Jan. 12, 2007 (Dec. 31 is free to explore DC)
Week Two: Jan. 7-12, 2007
Costs: One Week: $1,295; Two Weeks: $1,695 (includes program and housing)

The brochure for Leaders on Leadership ’07 has just been posted at http://www.twc.edu/students/seminars.shtml. We are also pleased to announce the Faculty Director for this May seminar will be Dr. Christopher B. Howard of the University of Oklahoma. Dr. Howard is vice president for Strategic and Leadership Initiatives and director of the Honors College Leadership Center at the University of Oklahoma. He is a 1991 Distinguished Graduate of the U.S. Air Force Academy and was named a Rhodes Scholar. He received his Ph.D. at Oxford. Dr. Howard is also the chairman and founder of the Impact Young Lives Foundation, a not-for-profit organization that provides scholarship and travel opportunities for South African students of color. We look forward to continuing high interest in this unique program.

Seminar Dates for Leaders on Leadership:
May 12-19, 2007
Cost: $1,295 (includes program and housing)

Prices for both seminars remain the same as last year. Food, transportation, and personal expenses are not included.

Thank you for your interest in The Washington Center for Internships and Academic Seminars.

**SCHOLAR SHIP PROGRAM**

The Scholar Ship has announced Honors Scholar Grants for students enrolled in honors colleges and programs in the U.S. For the 2007/2008 academic year, grants of $5,000 each will be awarded to four outstanding students.

The Scholar Ship is a semester-long academic program aboard a dedicated passenger ship that traverses the globe as an oceangoing campus. Students and staff from around the world together form a transnational learning community designed to develop their intercultural competencies and leadership skills.

Participating in an intercultural academic program while traveling the world aboard a passenger ship is an extraordinary opportunity. The Scholar Ship embarks on a semester-long journey around the world twice each year, commencing in September 2007 and each January and September thereafter. Itineraries vary from voyage to voyage, but all are planned to provide engaging learning experiences through our port program that complement the curriculum onboard. Our oceangoing campus serves as the backdrop for continuous transcultural encounters that would be virtually impossible to replicate on land-based campuses.

The Scholar Ship is built on four key elements:

- an onboard classroom learning environment
- a multicultural residential and social community
- an academically integrated port program
- a strategic research initiative

If you would like to be considered for an Honors Scholar Grant, submit a completed Grant Proposal available at www.thescholarship.com/honors. This proposal must describe how your participation onboard The Scholar Ship will be integrated into the ongoing internationalization efforts of your
institution and its honors college/program. This description must be endorsed (and preferably created in collaboration with) those responsible for the honors college/program and the internationalization process on your campus. The deadline for submission of proposal is February 1, 2007 for September 2007 voyage and July 1, 2007 for January 2008 voyage.

We are strongly committed to having a high-quality student population aboard The Scholar Ship that is diverse, both culturally and socio-economically. To achieve this goal, we have created a general scholarship fund from which grants will be awarded to students based on merit and economic need. For the 2007/2008 academic year, we have committed $2 million to this fund. In addition to the Honors Scholar Grants earmarked for them, honors college/program students are also eligible to compete for awards from the general scholarship fund.

If you would like to apply for a scholarship awarded from our general scholarship fund, simply proceed through the student application process and complete the Scholarships & Financial Aid section of the application. Again, scholarships will be awarded to students based on merit and economic need.

**ARTHURIAN FILM KNIGHT**
Join the students of Hon 321A (King Arthur: History, Legend, & Cinema) for an Arthurian film series Tuesday nights this fall. Students in the seminar will introduce you to the films. You can just sit back and enjoy the adventure. All honors students welcome, but seating is limited.

*Tues., Oct. 24--*Knights of the Round Table*, starring Robert Taylor, Ava Gardner, and Mel Ferrer (running time 115 min)

Films begin at 7 p.m. in room 1151 Jischke Honors Building.

♦ WINGSPREAD CONFERENCEES
ATTEND A MEETING OF THOUGHTFUL INQUIRY
Wingspread conferences, sponsored by The Johnson Foundation, bring together experts and other individuals who are leaders in the development of policies specific to the conferences. Honors students at Iowa State are among the students from only a dozen other schools around the nation who have special status as Wingspread Fellows and are invited to apply to attend the conferences at no cost to themselves. Students attend as observers to the deliberations, but have plenty of opportunity to interact with the experts on an informal basis. In fact, it is not necessary to be majoring in the area of the conference topic. The Foundation is interested in encouraging students to become educated citizens and, thus, have opened these conferences to any interested student. Wingspread was built in 1939 and designed by Frank Lloyd Wright. Wingspread is located on Wind Point, a peninsula on the western shore of Lake Michigan in Wisconsin. For further information on the conference or facility go to
http://www.johnsonfdn.org/tour.html. Please review the conference listings below and consider becoming a Wingspread Fellow. ALL OF YOUR EXPENSES ARE PAID FOR THE CONFERENCES. Contact Brandy Cunningham, brandyc@iastate.edu, or 294-5827, AS SOON AS POSSIBLE if you are interested in attending one of the sessions listed below.

♦ GETTING INTO FORT JISCHKE AFTER HOURS
In order to have after-hours access to the Honors Building, see Linda in the Honors Office and sign up for access. You then will be assigned a card. If you already have a university-provided keycard to enter your residence, the Honors Building system will be coded to allow you entrance using that keycard. If you do not have a keycard, you will be issued one that you will be able to pick up at the Honors Program Office. It may be as long as two weeks for the new keycards to be issued or for current keycards to be coded into the system.

You will be granted access to the Honors Building as long as you are a member of the Honors Program in good standing and you must abide by the After Hours Building Use Policy. If you lose your access card there is a $20 replacement fee.

THE AFTER-HOURS BUILDING-USE POLICY FOR THE JISCHKE HONORS BUILDING! Three words: DON'T BE STUPID!
If you need further elaboration, read on:
These are a few rules and guidelines that all students must follow when using the Honors Building after business hours. These are based on the Building-Use policy, ISU building-use regulations, ISU security regulations, and Jischke Honors Building supervisor policies. In general, after-hours use of the Honors Building is a PRIVILEGE granted by ISU security and the Building Supervisor. This privilege can and has been revoked for student noncompliance of the building policies and guidelines. It is for the benefit of all that these guidelines be followed. HSB, as the Honors student representative body, has the responsibility to make all Honors students aware of these policies and to enforce them. These common-sense rules MUST be followed; by not doing so, you directly jeopardize the privilege of Honors Building use after hours for all students.
---Entrance after hours is by access card only. Card readers are located at the Northeast door and the South door.
---Do not post any signs, flyers, etc. on the walls or woodwork.
---Pick up trash before you leave.
---You may not sleep overnight in the Honors Building.
---Only members in good standing in the Honors Program are allowed in the Honors Building. You may not allow non-honors students into the building after hours.
---NEVER prop an outside door open - it violates the university building-use policy and it sets off an alarm.
---If someone is studying, respect their right to study quietly - that's why the building is here.
---Don't use the phone for lengthy personal conversations. It is for the benefit of all that these guidelines be followed.

NOTE: There is to be no alcohol or illegal drugs in the Honors Building at any time. Violators will be referred to the Dean of Students for disciplinary action.
