FHP Leaders are supervised by and responsible to the Assistant Director of the University Honors Program.

As a FHP Leader I understand that I am required to do the following:

- prepare for seminar with my co-leader at least one hour per week Fall semester
- register for and attend my assigned section of HON 302
- attend an occasional training, help session, or meeting with Honors staff
- apply for and maintain membership within my College Honors Program
- adhere to all policies as listed in the FHP Leader Manual

Additionally, I understand that all leaders must attend the Fall Retreat (this includes leaders who may have band or orchestra events).

I have made arrangements or will make arrangements so that I may attend the following FHP Leaders' training sessions:

Friday, February 25	5:00 pm - 10:00 pm	Mini-Retreat	Jischke/Curtiss

It is essential that you understand that, by agreeing now to be a Leader, you have made a binding commitment to the Honors Program to lead a First-Year Honors Program seminar next fall.
